Application instructions

Follow the simple instructions below for the correct way to fit the Virustatic Shield.

For more information on how to care for your Virustatic Shield including important information regarding do's and don'ts - please refer to the important information guide.

- 1 **Your Virustatic Shield will arrive via the post**

- 2 **Wash your hands before opening**

- 3 **Remove Virustatic Shield from the envelope**

- 4 **Rub the colour change icon on the security label**

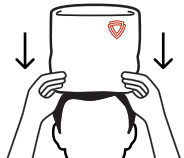

- 5 **Scan the QR code using any barcode app**

- 6 **Check your purchase is a genuine product**

- 7 **Carefully remove the shield from the wrapper**
Do not cut the fabric

- 8 **Discard packaging**
Recycle where possible

- 9 **Wipe your hands using the fabric of the shield**
Make sure hands are dry

- 10 **Pull the shield down over your head**

- 11 **Use as a single layer for up to 98% virus protection**

- 12 **Or double layer for a tighter, more effective fit for the smaller head**

- 13 **Pull shield over your head with the fold at the bottom (when using folded)**

- 14 **Cover mouth and nose, making sure of a tight fit to ensure maximum protection**

- 15 **Best Practice**
Always wash hands before wearing and removing Shield
Keep cool and dry when not in use

- 16 **Important information**
Do not iron
Do not tumble dry
Wash with water only
Leave to air dry naturally
